A SHORT HISTORY OF THE REVOLUTION

IN 1995 A MINNESOTA ORAL SURGEON BY THE NAME OF DR. JIM BLOCK INVENTED FEMMED™, THE PREDECESSOR TO GOGIRL™. A FEW LONG MINNESOTA WINTERS LATER, GOGIRL™ WAS REBRANDED, PATENTED, AND RELAUNCHED CREATING A HUGE BUZZ LOCALLY AND INTERNATIONALLY. TODAY, WITH OVER 1 MILLION UNITS SOLD, FEMALES ALL OVER THE WORLD ARE TRAVELING, CLIMBING MOUNTAINS, BIKING, HIKING, AND SPREADING THE MESSAGE "DON'T TAKE LIFE SITTING DOWN". LET'S JOIN THE REVOLUTION NOW TO "STOP THE SQUAT".

THE PEOPLE HAVE SPOKEN

HEAR THEIR VOICES.

Working in construction and having to pee is miserable. Peeing into a bottle is now a possibility thanks to my GoGirl™!
